

# 11 ODD FAMILY

55 minutes x 9 episodes

The Sanada family consists of a father, mother, and eight children. The father, Minoru, is a freelance photographer that is having a hard time finding work and skirts from his responsibility to support his family. He had seven kids with his first wife, Megumi. After she passed away, he met another woman named Megumi and remarried. They had a child name Saigo, the tenth member of the family.

In place of a father that has no income, the eldest son works part-time jobs before and after his classes at high school. A deeply emotional person, he tends to take on all his family's problems before losing control of things.

One day, the ghost of Megumi appears in front of Saigo. And since no one else in the family can see or hear her, she spends time talking to Saigo.

This new type of drama about the Sanada family and their 11th member, a ghost, is penned by popular script writer Kankuro Kudo.
