

Are you Stylin' with a flair for fashion?
We'll be the judge of that!

A **Stylin'** theme. Your **OWN** clothes. Are you **Stylin'**?

Contestants will be given a **Stylin' theme** to dress for. They must then put together an outfit using clothes from their own closets (no borrowing or last-minute buying!) and return to the studio to be evaluated by 3 judges.

Each contestant will be **evaluated** based not only on how fashionable they are, but also on how well their **style** fits the theme that was presented to them.

Who will be the most Stylin'?
