

It's a battle to see who can put together the best tasting dishes in the time allowed.

And to make things more interesting,

the celeb cooks don't know what they will be asked to make!

The judges, who include guest celebrities, the hosts, and a cooking pro, will critique the skills of each of the celeb cooks by tasting their finished dishes (no matter how unappetizing they may appear). But will the judges be able to eat AND SWALLOW what has been prepared? Or will they need to make an emergency etiquette stop at the "Bucket of Relief?"

...OR REJECTION?

The celeb cooks will be judged according to their cooking abilities and then ranked at the end of the show. Will their dishes be good enough to get them Special Top Apron status on the All-Time Ranking Board? Or will that visit to the "Bucket of Relief" send their rank rattling off the board and onto the parking lot ground?
