

One Week Legend

Try to survive with numerous quails in a tiny room for a whole week. The only food the challengers can get are the eggs laid from their roommate quails.

Live together with 300 birds in 1 room!

Two people try to line up 50,000 dominoes inside a two-storied house within one week. All dominoes must fall down by one push on the very last day.

Line up 50,000 dominoes in a small house!

Try to live in a small room surrounded by glass walls and ceilings for one week. The challengers must tolerate the great attention and glances of the curious audience.

Give up your privacy in a transparent house!

Test your limits to the extreme!

Can you manage to live in a tiny dimly lit room filled with fresh bean sprouts for one week? The challenger must survive by growing his/her own food, bean sprouts.

Grow your own bean sprouts for survival!
