35 Hiders... **8** Seekers... **12 hours** in a mountain... And a **\$10,000 grand prize!**

35 Hiders have one hour to find the perfect hiding spot. After that, everyone is fair game.

Find a spot under a rock, or find cover inside a bush, as long as its within the designated playing space, you're allowed to hide anywhere. But don't get too comfortable as the Seekers do a pretty good job of finding the Hiders.

And don't forget, they also have access to things like search lights, walkie-talkies, and police dogs. **Remember, you need to stay hidden for 12 hours!**
