

# Quiz Hunter

**Hunt** and **steal** prizes by answering questions correctly!

The first round is all about “**hunting**” for as many high-priced prizes as possible by answering questions on a board.

The second round takes things a bit further – it’s no longer about “**hunting**” for prizes, but rather “**stealing**” them away from the other competitors.

And in the end, it’s the team that has the highest total dollar value prizes that wins the game and a shot at the grand prize!
