THE DUNKED TABLE

It may be dinnertime, but when was the last time your family sat down and enjoyed dinner together?

With extra-curricular activities such as sports, music, clubs and many working parents who work late, have community meetings or odd schedules, it can be tough. Rounding up the troops for an evening meal can be almost impossible!

Let's get back to the roots, share family meals and create positive values!

- ★ A family of at least four must get together every night for 100 days.
- ★ They have to sit around the dinner table and say "Let's eat" at 7:00pm sharp every consecutive day until the challenge is over.
- ★ The family may have dinner at home or at any restaurant, as long as the entire family gets together.
- ★ They will get a money prize of 15,000US\$ if they achieve the goal!

It is time to bring the FAMILY Back to the DINNER TABLE!
